FARRIS ENGINEERING

BRINGING YOUR BUILDINGS TO LIFE

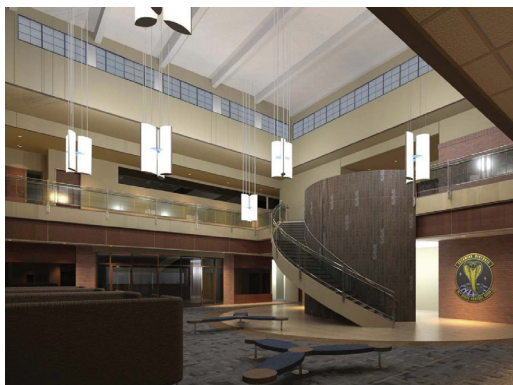

ABOUT OUR FIRM

Farris Engineering, Inc. (Farris), a 50-person mechanical and electrical consulting engineering firm established in 1967 in Omaha, NE, also has offices in Lincoln and Sidney, NE; Colorado Springs, CO; and Kansas City, MO. Designated a Total Small Business, the firm has designed projects in Nebraska, Iowa, Colorado, Kansas, South Dakota, North Dakota, Wyoming, Missouri, Oklahoma and across the country. Farris completed its first federal project more than 40 years ago, and has been prime and subconsultant on numerous Indefinite Delivery/Indefinite Quantity (IDIQ) contracts for new construction and renovation projects for the Army Corps of Engineers, Air Force, National Guard, Veterans Affairs, Indian Health Services and General Services Administration. (Please see Page 2)
